CHORUS:

--- Where You go I go, What You say I say
What You pray I pray, What You pray I pray

VERSE:

It's Christ Who lives in me
For I've been crucified
With Him, it is no longer
I who live but Jesus
This very life I live
It is His very life
I have the mind of Christ
I have His Very Spirit

PRE-CHORUS:

I've been raised with Christ
And now I'm in Him
I'm seated now with Him
Above all circumstances
Your resurrection power, Lord
Works in me
For You were raised from death
And I was there in You
I was raised with You --- yeah ---
I was raised with You, I'm hid in You
I live in You yeah

BRIDGE:

Though the world does not know us
The Father calls us sons
And we know that we are born of God
We're the sons of God
