VERSE 1:

See His love, nailed on to a cross
Perfect and blameless life
Given as sacrifice
See Him there all in the name of love
Broken yet glorious
All for the sake of us

CHORUS:

This is Jesus, in His Glory
King of Heaven, dying for me
It is finished, He has done it
Death is beaten, Heaven welcomes me

VERSE 2:

Greater love, no one could ever show
Mercy so wonderful
Freedom I could not know
All my sin, all of my hidden shame
Died with Him on the cross
Eternity won for us

BRIDGE:

--- Such love, --- such love
--- Such love is this for me
